Digital fashion show from Istituto Secoli during Milan Fashion Week

FashionUnited | Monday, September 28 2020

During Milan Fashion Week last week, 19 students of Istituto Secoli in Milan, Italy, showed their projects. The fashion show was a digital performance that was broadcasted within the special Italian Education Lab section, an incubator that encloses the best talents from all over Italy. They collaborated with Fashion Graduate Italy and Milan Fashion graduates of CNMI for the first time.
